## **AMERICAN PLASTIC MOLDING CORP ANNOUNCES THE APPOINTMENT OF ALAN MYERS AS CHIEF EXECUTIVE OFFICER**

### **Scottsburg, IN, July 30, 2020**

The Board of American Plastic Molding Corp (APM) today announced that Alan Myers has been appointment Chief Executive Officer (CEO) of APM, following a thorough selection process. Alan will assume the role of CEO effective August 1, 2020.

Alan has nearly 40 years of experience in plastic injection molding and operational management. Alan served as Chief Operating Officer (COO) of APM for the last 3 years, and as Plant Manager for nearly 25 years before becoming COO.

APM Board Director Anne Coates said: "It is a privilege to work with Alan. His stalwart leadership has made APM a great success, and I am thrilled to see him lead APM through continued growth and prosperity. Alan's leadership approach is inclusive and customer focused, exactly what APM needs!"

Alan Myers said: "I am honored and privileged to be appointed as CEO and to have the opportunity to lead and serve the talented and hard-working people who make APM a great company. I will continue the legacy of APM and its values while ensuring the best strategies for our company's future."

### **About American Plastic Molding Corp**
